SIR PAUL's MOTOR CITY MAKEUP ARTIST

Makeup artist BARBARA DEYO of Birmingham, Michigan got the offer of a lifetime last week. The Observer newspaper says PAUL McCARTNEY's office in London called her on Wednesday and asked if she would do his makeup for his concert last night at Comerica Park in Detroit. Of course, Barbara said yes. She has done makeup for BOB SEGER, KID ROCK and other artists, but this is her first ex-BEATLE. Barbara was also asked to touch up Paul before his August 4th show in Cincinnati. Naturally, she said yes to that too.
